

"Friday 09 June"

| | | |
|-------|---|-----------|
| 08:00 | <p>08:00 - 08:10 WELCOME ADDRESS AND INTRODUCTION</p> | ROOM 1 |
| 08:10 | <p>08:10 - 09:00 SESSION 1: BASIC SCIENCE</p> <p>Moderators: Jochen HOSFSTÄTTER (Vienna, Austria), Hannes RÜDIGER (Zurich, Switzerland)</p> <p>Brief history of femoral stems: from the early designs to the shortened femoral stems. Alexander ANTONIADIS (Lausanne, Switzerland)</p> <p>What is a shortened or a short femoral stem? Definition and classification. Scott BRUMBY (Adelaide, Australia, Australia)</p> <p>Back to the 80s: the Mayo Conservative Hip System. Michael TAUNTON (Rochester, MN USA, USA)</p> <p>Could custom femoral stems be considered as a shortened femoral stem? Michael WETTSTEIN (Lausanne, Switzerland)</p> <p>Discussion.</p> | ROOM 1 |
| 09:00 | <p>09:00 - 10:10 SESSION 2: INTRA-MEDULLARY SESSION</p> <p>Moderators: Olivier GUYEN (Lausanne, Switzerland), Luigi ZAGRA (Milan, Italy, Italy)</p> <p>Shortened femoral stem: new paradigm and challenge for stability. Ryan NUNLEY (Saint Louis, USA)</p> <p>Consequences of proximal femur anatomy and biomechanics on fixation and design of shortened femoral stem. Elhadi SARIALI (Paris, France)</p> <p>The cementless fixation: principles and coatings. Philippe MASSIN (Neuilly-sur-Seine, France)</p> <p>The cemented fixation: how do I cement a shortened femoral stem? John CHARITY (Exeter - United Kingdom, United Kingdom)</p> <p>The collar: optional or must-to-have with shortened femoral stem? Gunnar FLIVIK (Lund, Sweden)</p> <p>Discussion.</p> | ROOM 1 |
| 10:10 | Coffee break, networking and exhibition visit | |
| 10:40 | <p>10:40 - 12:00 SESSION 3: EXTRA-MEDULLARY SESSION</p> <p>Moderators: Hubert NÖTZLI (Bern, Switzerland), Elhadi SARIALI (Paris, France)</p> <p>How to reproduce the femoral anatomy with off-the-shelf femoral stems? Hannes RÜDIGER (Zurich, Switzerland)</p> <p>The homothety: pros. Julien WEGRZYN (Lausanne, Switzerland)</p> <p>The homothety: cons. Alexander ANTONIADIS (Lausanne, Switzerland)</p> <p>The homothety: how to manage it in practice? Nicolas BONIN (Lyon, France)</p> <p>What is the ideal femoral neck and taper design in 2023? Luigi ZAGRA (Milan, Italy, Italy)</p> <p>Discussion.</p> | ROOM 1 |
| 12:00 | <p>12:00 - 12:30 DEDIENNE SYMPOSIUM</p> <p>The shortened stem: a SYMBOL towards the evolution of practices</p> <p>Presenters: Frédéric CHATAIN (Saint-Martin-d'Hères, France), Florent DELANGLE (Saint-Etienne, France), Mourad ZARAA (Paris, France)</p> | ROOM 1 |
| 12:30 | Lunch break, networking and exhibition visit | |

3RD EDITION

LAUSANNE HIP DAY

THE SHORTENED FEMORAL STEM
"SHORT BUT EFFICIENT"

SAVE THE DATE

FRIDAY, JUNE 9 2023

SWISSTECH CONVENTION CENTER
LAUSANNE - SWITZERLAND

LausanneHipDay.com

"Friday 09 June"

13:15 - 15:15

SESSION 4: THE SHORTENED FEMORAL STEM IN PRACTICE... and surgical techniques

13:15

Moderators: **Philippe MASSIN** (Neuilly-sur-Seine, France), **Ryan NUNLEY** (Saint Louis, USA)

Why to choose a shortened femoral stem? **Jochen HOSFSTÄTTER** (Vienna, Austria)

Pre-operative THA planning: does shortened femoral stem change it? **Joachim PFEIL** (Wiesbaden, Germany)

From conventional to shortened femoral stem: is there a learning curve? **Michael TAUNTON** (Rochester, MN USA, USA)

Does the surgical approach to the hip influence the stem selection? **Martin BECK** (Luzern, Switzerland)

Does shortened femoral stem make easier the anterior approach? **Yasuhiro HOMMA** (Tokyo, Japan)

Robotic-assisted THA and shortened femoral stems: experience of a high volume academic center. **Pascal KOUYOUMDJIAN** (Nîmes, France)

Femoral de-escalation in revision THA: is there a place for shortened femoral stems? **Olivier GUYEN** (Lausanne, Switzerland)

Shortened femoral stem in first intention needs conventional femoral stem in revision! **Hannes RÜDIGER** (Zurich, Switzerland)

Revision of shortened stems: is it really easier? A novel classification of bone loss after shortened stem removal. **Francesco FALEZ** (Roma, Italy)

The "final question": Is there limitation to the use of shortened femoral stems in routine clinical practice? **Joachim PFEIL** (Wiesbaden, Germany)

Discussion.

ROOM
1

15:15

Coffee break

15:40 - 17:45

SESSION 5: CLINICAL RESULTS

15:40

Moderators: **Michael TAUNTON** (Rochester, MN USA, USA), **Julien WEGRZYN** (Lausanne, Switzerland)

What are the trends and clinical results of shortened femoral stems in the Swiss and European registries? **Martin BECK** (Luzern, Switzerland)

What's from the Australian registry? **Scott BRUMBY** (Adelaide, Australia, Australia)

Which trends in Japan? **Youngwoo KIM** (Kyoto, Japan)

Actis (Depuy Synthes). **Ryan NUNLEY** (Saint Louis, USA)

Accolade 2 (Stryker). **Vittorio BELLOTTI** (BARCELONE, Spain)

Optimys (Mathys). **Karl Philip KUTZNER** (Mainz, Germany)

AMIS (Medacta). **Jochen HOSFSTÄTTER** (Vienna, Austria)

Fitmore (Zimmer Biomet). **Hubert NÖTZLI** (Bern, Switzerland)

Exeter short stem (Stryker). **John CHARITY** (Exeter - United Kingdom, United Kingdom)

Shortened Chamley Marcel Kerboull (CMK) stem. **Youngwoo KIM** (Kyoto, Japan)

Symbol Stem (Dedienne santé). **Gilles ESTOUR** (Challes Les Eaux, France)

Discussion.

17:30

Break

17:45 - 19:05

SESSION 6: CLINICAL RESULTS #2 / PERSONAL EXPERIENCE

17:45

Moderators: **Vittorio BELLOTTI** (BARCELONE, Spain), **Nicolas BONIN** (Lyon, France)

Tige UTS Naviguée par Voie Antérieure Bikini (United Orthopedics). **Yves VANDERSHELDEN** (Saint Malo, France)

#33833 - OC01 Calcar-guided short-stem total hip arthroplasty in fractures of the femoral neck: a prospective observational study of 68 hips. **Karl Philipp KUTZNER** (Mainz, Germany), **Alexander WALZ**, **Yama AFGHANYAR**, **Philipp DREES**, **Michael SCHNEIDER**

#34134 - OC03 Short femoral stem primary hip arthroplasty - experience of one center. **Teresa ARAÚJO** (Lisboa, Portugal), **Miguel DUARTE SILVA**, **Miguel PÁDUA FIGUEIREDO**, **Sara RODRIGUES**, **Rita ALÇADA**

ROOM
